Functional Area Coordinator: Del Kimbrough/William Moore

Major Tasks for Committee Tracker from Final Planning Document and Recommendations

Task: ADP

1. Recommendation and/or Action Taken:
Recommends that ITS support OWG 59 to consolidate ADP pay and benefits application. In addition, OWG 61 will support the migration of these functions to PeopleSoft as needed.

Task: Advancement Services

2. Recommendation and/or Action Taken:
Recommends that ITS will act in support of OWG 39 efforts to consolidate Advancement Services and Donor Relations under one unit when the foundations consolidate. ITS will work with OWG 39 to assess the appropriate technologies at that time.

Task: Application Tracking Systems

3. Recommendation and/or Action Taken:
Recommends that ITS support the technical efforts required in consolidating the applicant tracking systems utilizing PeopleAdmin for both campuses.

Task: Argos

4. Recommendation and/or Action Taken:
Recommends continue using Argos as the Reporting solution in the new University. The system is to remain hosted at the University.

Task: PyraMed

5. Recommendation and/or Action Taken:
Recommends that ITS support the technical efforts required in expanding the use of the health records system (PyraMed), currently utilized by the east campus to the west campus.

Task: Project Management Solution

6. Recommendation and/or Action Taken:
Recommends continue using Microsoft Project as the project management solution in the new University. The system is to remain hosted at the University.

Task: Maxient
7. Recommendation and/or Action Taken: Recommends that ITS support the technical efforts required in expanding the use of the Student Disciplinary Reporting system (Maxient), currently being utilized by the east campus to the west campus.
Task: LifeSafety Alarms
8. Recommendation and/or Action Taken: Recommends that ITS support the technical efforts required in consolidating the LifeSafety Alarms for both campuses.
Task: NelNet
9. Recommendation and/or Action Taken: Recommends that ITS support the technical efforts required in consolidating the student payment plan service utilizing NelNet for both campuses.
Task: Bosscars
10. Recommendation and/or Action Taken: Recommends that ITS support the technical efforts required in expanding the use of the parking and ticketing system (Bosscars), currently being utilized by the east campus to the west campus.
Task: PeopleSoft
11. Recommendation and/or Action Taken: Recommends that ITS support the technical efforts required in consolidating the financial service utilizing PeopleSoft for both campuses.
Task: Blackboard Transact
12. Recommendation and/or Action Taken: Recommends that ITS support the technical efforts required in consolidating the Blackboard Transact service utilizing Blackboard for both campuses.
Task: Connect 5
13. Recommendation and/or Action Taken: Recommends consolidation of both West and East Campus' Connect5 Emergency Alert Systems under single management.
